**Description**

Making Number Talks Matter is a guide for middle-level teachers looking to improve their students' mathematical understanding. Through the book, Cathy Davidson and Robert Taylor offer practical ideas for using number talks to help students build a strong foundation in mathematics. This book will be an invaluable resource whether you are looking for ways to improve your students' understanding of mathematics, or simply want to see your students' progress in a more meaningful way.

This e-book is available for free on the website [www.illustrativemathematics.org](http://www.illustrativemathematics.org). Each address represents an alternate version of the book.
