THRILLER

Dr. Cloie LeJeune, an ancient languages expert, barely survived her encounter with the Sicarius, a hitman who must die to possess the ancient jar bequeathed to Cloie by her father. Now that the Sicarius has met his fate at the hands of the Sicari—the shadowy successors to Judas revolutionaries—and new questions of the case of Jesus—Cloie is busy translating the newly discovered and potentially earth-shaking journal of Christ's public ministry. But when she is called to a personal audience with the pope, Cloie soon realizes her past has caught up with her once again.

With the fate of Christianity at risk, Pope Francis charges Cloie to find the cache of jars and keep them away from the advance of Muslims. On the other side of the world, the Sicarius's critical organization has been taken over by a ruthless man intent on stopping at nothing to find the cave of Jesus—the Sicari. Led by biblical clues, Cloie, her son, J.E., and the enigmatic, mysterious Vatican operative, embark on a perilous journey to France, Jerusalem, and Korea, relentlessly pursued by the Sicarius's replacement. Only time will tell as we will find the cave of Jesus first.

In the exciting sequel to Judas the Apostle, Cloie and her friends race against time to find the ancient jars before Christianity is destroyed forever.
